42nd Annual Luncheon Review

Our annual luncheon was a huge success. We greatly appreciate the over 200 Chamber supporters that attended our meeting.

We thanked two retiring long-time board members Alan Alfred, Adirondack Bank and Harley Ruppert, Newport Telephone Company/NTCNet. These men were great assets to our Board of Directors and will be truly missed. We also thanked Mary LaBreche, Knights Inn of Little Falls for serving 2 terms as Chamber President and welcomed Stephen "Doozer" Smith our incoming President.

As you can see from our pictures below, we honored three of our Chamber members for their accomplishments throughout 2009 and since their beginnings. They have all had a tremendous impact on our communities.

Administrative Professionals Day

It was all smiles on April 21st for the Administrative Professionals Day Business After Hours. Over 150 were in attendance at the Knights Inn of Little Falls and a good share of them went home with one of the nearly \$2000 worth of door prizes. We would like to thank our long-time sponsor Hummel's Office Plus for the generosity they give us, our members and their customers on this day every year. We would also like to thank Mohawk Valley Florist for again providing each attendee with a beautiful carnation. A special thanks goes out to Dan Kucerak for all the prep and leg work he does each year to make this event successful.
