*"I've always felt it was important to join and support the local Chamber but I was completely and pleasantly surprised to discover the amount of business we've received due to your brochure distribution program.*

*"As you know we track how each of our passengers have heard about us. I'm happy to report that for the month of July 2004 your brochure program brought us income of more than three times what our annual dues cost.*

*I hope you plan to continue and perhaps expand this program for next season. I'd love to see at least 250 new locations where our brochure will be displayed.*

*Thanks for implementing a very creative idea and keep up the great work!"*
